# VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

## Boners for Bush Babes

Dear Virgin Territory,

In response to your "Bush Babes" pictorial in the July '13 issue, here's a suggestion. Why don't you publish a limited edition mag featuring past and present models with full bush? I believe other teen mags have done it.

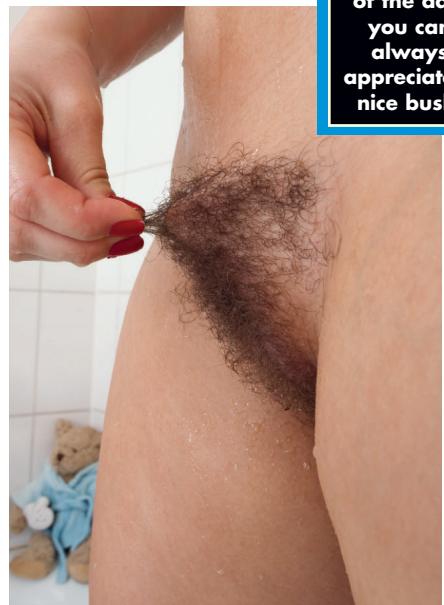

As you point out, bushy teen twat is timeless—regardless of fads and fashions. I'm sure plenty of fans like myself prefer natural bush without excessive piercing and tattoos.

I still have some SCORE Group VCR tapes with full bush teens and I would be interested in purchasing some "Bush Babes" DVDs, regardless of when they were originally made.

I only have computer access at work at the moment. Therefore, I would prefer to purchase my XXX items through the mail. If you have anything like this available in stock, please send me a catalog or at least a list of titles along with release dates.

I do appreciate the full bush pictorials in your present magazine and obviously would like you to run more of them soon.—J.M., Knoxville, Tennessee

At the end of the day, you can always appreciate a nice bush.

Dear J.M.,

Thanks for your bush-friendly suggestions! While I can't point you to any all-bush movies, we'll definitely have more pubed pussies here soon for you to whack off to. For now, here's a pic of Lily's sexy, furry beaver just for you.

Our July '13 covergirl was wet, playful and incredibly fuckable.

## Chloe's Fan in Florida

Dear Virgin Territory,

Chloe was a fantastic choice for cover girl and centerfold in your July '13 issue. She's the type of teen I like most—young face with a very feminine body. She's petite but also has hips, a wonderful pair of soft-looking titties, not to mention a plush little ass.

Thank you for the super tight 'n' wet cameltoe shot on page 45. I want to munch on her box while she's still wearing those wet panties until I can taste all her girl cream seep through it.

The close-up of her tiny, puckered flower pussy on page 46 is now on my wall. It looks like it couldn't fit more than a finger in it. I want to be the lucky cock that gets to stretch that tiny thing wide open. I bet she makes the sexiest sounds while fucking.

Her tongue sticking way out on page 50 is so inviting. It's like it's just waiting for a dick to make its way down that pretty throat. More Chloe and more wet cameltoes in 18eighteen! Fucking sexy.—W.K., Pembroke Pines, Florida

Dear W.K.,

Glad you liked our cover girl. This is the only set we have of Chloe for now, but here's a bonus pic as thanks for writing in!

## Better Late Than Never

Dear Virgin Territory,

I'm writing this letter a little late, but I guess it's better late than never, right? I've had my May '13 issue of 18eighteen for quite some time now and have been jerking off, draining

my balls non-stop all over it (as I do most issues). Candy was certainly an excellent choice for cover girl and I think it's been a while since she's been featured in one of your magazines.

This issue, like all the other issues this year, did not disappoint at all. Starting off with the "Fuckin' Awesome" feature, this issue was great from cover to cover. I have most of the DVDs featured in this feature and especially love the beautiful creampie given to Alyssa, Allison, Emily, Zoey, Tracey and Carmen. Any girl taking a warm load of cum in the puss is definitely my kind of girl.

I do have a request, though. Please, NO MORE layouts of Diana and especially Mercedes as Mercedes is past her 18eighteen prime. Don't get me wrong, she is perfect in every way and her layout was amazing, but she shouldn't be in a teen mag anymore.

Kira's layout was third and it was fiery hot. She is the perfect teen tramp with her angelic face, barely there tits, bald snatch and beautiful ass. I loved seeing her with that toy stuffed in her little asshole. I hope we see her do anal soon. That would be amazing.

Send your letters, comments and suggestions to:

Covergirl Candy was next and she looks like she would definitely taste like candy. Her pussy looks so delicious and I love the amazing picture of her asshole spread wide open, inviting a hard cock inside. Candy is another I hope we see do anal soon.

Molly's layout was the first hardcore one in this issue and when I finished looking at it, I emptied my balls on the last page, almost exactly like the dude that was lucky enough to nail her. The sloppy facial she received at the end was just the way I like it when not ending in a creampie.

Mae was the next hot tramp and her layout was awesome. She has nice, ripe tits and a perfect, little twat and a smoking ass. I absolutely loved

the picture of her with her finger buried deep within her wetness.

Staci's hardcore layout was the last in this issue and it was also great. She can fuck and suck my cock anytime. Of course, I enjoyed the cum shot in her pretty mouth and on her chin.

Thank you, *18eighteen*, for yet another ball-busting issue. Almost half way through the year and 2013 has so far been your best year ever.—M.F., Camp Hill, Pennsylvania

Dear M.F.,

*We were wondering when you might write to us about this issue! It's not the same when we don't hear from our biggest fan in Camp Hill. Keep reading and writing and we promise to keep on providing all the hot teen girls you need to get off!*

## Once Your Teen Porn Goes Digital...

Dear Virgin Territory,

I'm a relatively new reader of your mag. I don't subscribe to the print but rather buy them digitally. At first I wasn't sure whether to do that or continue hiding my mags under the mattress, but honestly, this has already begun to make my life much less complicated.

For one, I don't run the risk of anyone finding my stash anymore. Everything on my tablet has a password. My girlfriend gets jealous of my mags and "accidentally" throws them away when I'm not around. Now, she can't get to them.

Stroke to Alana on any mobile device, away from jealous GFs.

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

I also no longer run the risk of ruining any of the pics when I shoot my load. So many magazine pages stuck together in the past. I just have to be more careful of where I cum now. Jizz can't be good for electronics.

Anyway, your July issue was all kinds of hot and it got me off more than my money's worth. Abby's and Roxanne's sets were my favorites. Alana was good, too. Big boobies for such a young girl but I didn't mind. I actually like teen girls with big boobs, but I also like the flatties. No boob discrimination here, especially when I get to see them, and more so when I get to touch them! Oh, and the hairy muff special was fantastic. I love to appreciate teen pussy in all forms—hairless or hairy, they still taste just as sweet! Looking forward to the next one!—A.R., Vacaville, California

already. Her butt looks like it'd be fun to grab, and even better to kiss and bite and possibly even spank for a bit. She looks so sweet, like in the pic of her blowing bubbles on page 59 or when she's lying on her back, showing her pussy on the next page.

Jenna's pictorial right after this was incredible, too. She also looks naive and innocent but I know she's nothing short of a super-horny school girl. Hearing about her being a gymnast and skater and seeing how adorable and sexual she is was a real turn-on. My dick came in bucket loads when I finally saw her fully nude from page 63 on. I want to fuck her so badly in the position she's in on page 64. Her ass looks spectacular on the following page, especially on page 65 where she's holding her ass cheeks open and she's got this playful smirk because

on page 9 or online via [eboobstore.com](http://eboobstore.com)).

## Horny But Innocent?

Dear Virgin Territory,

I found your magazine one day while visiting my local porn shop and got really excited to see a different style of girl in your mag than in that of your competition. I appreciate your lack of twenty-something-year-old party-girls posing as college freshmen and enjoy my teens to be of a more innocent variety. Although that doesn't mean I don't also like my teen girls to be on the frisky and sexually adventurous side. But your girls seem more refined at times, as if they are more selective in whom they choose to show their bodies to and who they sleep with. In other words, not overly slutty but still quite sexy.

Sindy is an excellent example. She

she knows all these dirty old men like me are stroking their cocks looking at her just-now-legal pussy and asshole.

The best part is this pictorial goes on with even more dick-hardening images like the one on page 66 and the bottom one on page 67 with her finger in her slit. Devilishly delightful. More Jenna, please! And thank you for recruiting Nica. She's the perfect addition to your collection of sexy, young and horny teen girls!—G.S., Asheville, North Carolina

Dear G.S.,

If you think Jenna's sexy now, wait til you see her hot XXX scene in After School Slut Club #2 (available for order

looks like she can give great head but she doesn't look like the girl that's been giving everyone and their daddy head. She's still fresh, still new and still extremely tight. I get a boner just thinking about her. I've never seen a girl with braces be so sexy and fuckable. Page 90 has made me cum several times, as have pages 94 and the orgasmic cum-shot on page 95.

The beautiful fawn that is Abby is also a good example. She looks like she must've lost her cherry just days ago, and yet she settles in to fucking like she's done it her whole life. So natural. She also looks like she has a great dick-sucking method. Like on

**It all began  
with a game  
of chess...**

Roxanne invited James over to her house one afternoon to practice for their upcoming tournament. Her parents weren't home and she was so excited that James would be over soon that she creamed her panties before he even arrived. One of the other girls on the team said he had the biggest cock she'd ever seen. Roxanne hadn't fucked very much before but she was hoping James might change all that for her. Once he arrived, the innocent chess game quickly went carnal.

### **Roxanne loved every inch of his fat cock in her nerd pussy.**

"I was so wet from anticipation, and then from making out with him that he slid right in. I knew once I showed him my panties he'd get the hint and it'd be checkmate. He's flirted with me before so I knew he'd probably go for it. I'd never had a guy fuck me the way that he did. And it was also the first time a guy came in my mouth. I have to admit it made me pretty horny all over again!"

### Megan likes to take naughty pics when no one's watching...

"This guy sent me a text by mistake. He thought I was his girlfriend. I told him I wasn't, but that if he was cute, maybe I'd like to be. It got his attention. We kept flirting and he asked me for some pics. I sent him one of my boobs and now, he keeps asking for more!"

**Do you like thinking of strange men seeing you naked?**

"It makes my pussy get wet. I don't even know why it happens, but when I know someone is seeing my cunny or my tits, it's like a water faucet turns on in my panties. I've been sexting this guy now for a few days. We even chatted on the phone one night. He told me he was calling me from his guest bathroom while his girlfriend was sleeping. He needed help getting off and wanted me to say dirty things to him. That turned me on, so I told him how badly I want him to fuck my slit."

## Did he get you to cum, too, Megan?

"You bet! After he was done, he was still pretty turned on. He said it was my turn and then he told me how to finger my clit. He told me when to push a finger in to my cunny, and then another one. Then he told me to go slower and I told him I wanted to go faster because I was about to cum, but he wouldn't let me. It just turned me on even more and pretty soon he could hear the sloppy noises coming from my gushy pussy hole. It was good that no one was home or they would've heard me moaning and panting through the walls for sure! It was a lot of fun. I could hear him breathing and jerking his dick a second time. He really liked all the noises I was making. And when I begged him to cum again, that set him off."

# AS THE WORLD INTERNS

By Payton Parker

**Those old chicks from the cable show can move on over. Three fresh-faced beauties give the city that never sleeps a bite at their not-so-big apples—with delicious results.**

Trisha, like many of her peers at the design institute, really loves fashion.

"I started out like everyone else, with these grand dreams of designing the dresses that celebrities would wear on the red carpet or whatever," she explains, "but that all changed when I got my internship. It turns out I really have a taste for menswear."

Or men in general.

As part of her graduation requirements, Trisha, a New York native, needed to seek out real-world experience, but an extra-heavy course load made her a little slow on the uptake.

"My adviser had this whole list of companies that would take interns from our school every semester, but by the time I got around to looking for a gig, all the spots were taken." As such, she hit the bricks herself, determined to find something. "I needed a position fast, so I couldn't be picky."

She ended up walking into an upscale men's store, a well-known haberdasher on Madison Avenue.

"I'd dressed trendy," she recalls.

"You can't walk into a boutique where the whole point is to look good wearing jeans and a t-shirt. I wore this cute frock I'd gotten at a vintage shop downtown—yellow, very mod, and it made my legs look a mile long."

Trisha stands at an impressive 5'10" in heels. Fair skin and long, blonde hair with sideswept bangs frame big, blue eyes that look far more innocent than what lurks beneath the surface.

"The manager, looking sharp in his beautiful suit, knew that I was just the

sort of sales help that could get his older-gentlemen clientele spending major loot with a few well-timed smiles and compliments. He signed the paperwork on the spot and I started working the next day."

Since then, Trisha isn't just scoring A's in class, but in ass.

"The big surprise has been how incredibly hot I get helping the customers pick out their suits, their shirts, whatever it is they're looking for. I dig on the menswear. I love the feel of the material, the smell of their cologne. I love holding a tie up to a man's face and seeing how it looks with his eyes or with the silver creeping into his hair. I never knew I had a thing for older men, either. They're so sexy. So confident. And I love how different they are than young guys when they flirt. They're seasoned. They're classier. They just have an air about them that's so masculine. I would get so wet sometimes during time with clients that I began to bring an extra pair of panties to work with me just in case I needed to change."

"I had this one guy, he'd come to shop the first week I was there. I kept hoping he'd come back because my manager was getting more comfortable leaving me there if he had a quick meeting or something and my horniness was getting a little out of control. I even played with myself in the bathroom once, sitting on the john, hiking my sheath dress up to my hips and diddling my cunny, watching myself

do it in the full-length mirror on the back of the door. It was so hot and it only took me a few minutes to get off. But I knew that soon I was going to cave. Somehow I would fuck one of the customers. And then, Mr. Wallace came back into the store...."

He was actually in sort of a rush, coming in to buy dress socks last-minute before jetting out of town on a business trip. His car was waiting outside. His admin had prepared his suit for the trip and realized on the way out that he'd forgotten socks. Rather than run back to his apartment, he figured he'd just pop in and grab some before heading out to the airport.

And then he saw Trisha, looking incredible in a turquoise dress with pleats in the skirt and a wide belt that accentuated her slim waist and lovely curves. She wore high-heeled boots—to the knee—with a bit of exposed thigh in sheer, black patterned tights. Fancy fishnets. She

licked her lips when she saw him and smiled, feeling the material of her hip huggers grow wet as her labia grew slick with girl-honey. She imagined him on his knees between her legs, back in the bathroom, fucking her with his tongue while she held his salt-and-pepper head there, pressing her pussy against his hungry mouth.

"Hey, Trisha!" he said, eyes lighting up a bit, snapping her back to reality.

"I really need some socks quickly."

She could see the Lincoln Town Car running outside and figured this was her shot. Boss was at a late lunch meeting, it was a typically slow day and Mr. Wallace was already in a rush. All the ingredients were in the pot. She just needed to light the fire.

"You also need to see the new cruise stuff that came in. I remember last time you were saying all your swim suits were old and faded from the gym pool." She could see his gray eyes glimmering, see the hesitation because he was actually in a bit of a rush, see him, over a few seconds, sorting it out. He hesitated as he spoke. She thought it was cute.

"...really have to get to La Guardia. But okay, grab me some black and some navy socks. Dress socks. And you can hand the suit off to me at the dressing room."

"Perfect," she said, with more than a little suggestion in her tone. She turned to do as she was told. Her pussy was already dripping, anticipating Mr. Wallace's thick, lovely cock growing fatter. She couldn't wait.

Wallace was waiting for her as promised. His hand came over the top of the heavy door, reaching for the expected swim trunks. This was no mall anchor store. The dressing rooms were like studio apartments almost: lovely wooden doors (very men's club/steak house), leather chaise inside, framed mirrors, soft pile rugs over hardwood floors. She hoped

She followed through with inertia, her heart pounding for fear that she'd made a mistake and would be fired in minutes once the manager returned.

"Tri-, she cut him off, pressing her generous mouth to his as she dropped the suit to the floor and kicked the door shut behind her in one fluid motion. His tongue came bounding into her mouth, arms wrapping around her, then sliding down to cup her perky bottom as he pulled her dress up. She wore suspenders and hose. Easy access. It was definitely on.

She reached down and finished undoing his belt as he lay her down on the butter-soft leather sofa, easing her legs apart, digits curling under the lacy bits and sliding up into her tight, hot snatch with ease before pulling them out and making a show of licking her juice off his fingers.

"Candy," he breathed, half-growling. He buried his face into her nearly-bare cunny, splaying her lips with his face, his tongue seeking, drinking, making her moan low, like an animal. Trisha watched him in the mirror, her fantasy unfolding before her very eyes. She came in minutes, her long sexy legs curling 'round his body as she bucked and pressed her now-soaking puss into his hungry mouth.

He dropped his pants around his ankles and climbed on top of her.

"You really want this?" he breathed, his cock, hot and thick and ready, poised at her lubed entrance. He was making sure.

"Yes, please," she cooed, easing her hips up yet again, her tunnel swallowing him before he even had a chance to move. He pressed back hard, impaling her gash, making her curse and cry and moan loud in his ear.

"Fuck, yes!" she

They flipped. She rode him, fucked him as they both watched themselves in the mirrors all around the small room. The visual was too much.

"I'm going to come," he whispered in her ear, kissing and biting her lobe.

She slid off, went to her knees, took him in her mouth, pulling him with her hand, the other reaching down to squeeze his balls. She sucked. She tongued. He came-hard, sweet and hot—and she swallowed every last drop of his thick cum, feeling the warmth of it coat her throat. He looked down and kissed her forehead and her cheek in gratitude. They gazed at one another. They both knew this would not be the last time.

Just then, the door jingled. "Mr. Wallace, are you there?" came the driver's voice.

"The cop's making me move. Will you be coming soon?"

"Right down, Mark!" he shouted, winking at Trisha. Mark had no idea.

"Got caught up trying on something I'd had altered and forgotten about. Sorry! I'll be down shortly."

"No problem, Sir," he called back.

"I'm just going to circle the block until I see you, that alright?"

"Sounds good, Mark. Thanks!"

"Now you, missy, deserve a raise," he said, looking back at Trisha. Then, more quizzically, "...Unless you do this for all your customers?"

"Just you, Mr. Wallace," she purred. "But actually, I work here for free. I'm still working as an intern for now."

"Well, then," he smiled, pulling her close and opening the dressing room door for her.

"When I get back from my trip next Monday, we'll really have to

he'd left it unlocked. He had.

## Nice Au Pair

Dominique, 19, came to New York by way of France—a country girl looking for excitement in the most famous city in the world. In order to see it, she took a job as an au pair. Although not terribly exciting, she did like kids and the twin girls with whom she was charged lived in a magnificent Upper West Side apartment. Their parents, two overworked doctors with all the money in the world, were rarely home with little time for the girls.

She adored the girls, enjoyed her job and met lots of other young twenty-somethings—even a few other French girls—to hang out with as they took “their” children to the park, the movies, the museums. She was one of the lucky ones, though. Her girls were already 5 years old. This meant kindergarten, which meant that many of her days were sort of free.

She didn't make or have much money, of course, but room and board were covered and what better city to be let completely loose in than

Manhattan—romantic and busy and glamorous and gritty all at once. Plus there

were so many men everywhere! Dominique, however, was shy. She didn't really like the big nightclub scene and she wasn't much of a drinker. She was fairly bookish, and although her friends would get her to venture out once in awhile, on most nights, she was home due to the nature of the married doctors' crazy, round-the-clock work schedules.

Mr. Doctor (she actually called him this. It was a joke that began when she first arrived and her English was not as strong. His wife was Mrs. Doctor, and they had actually taken to calling each other by these names, as well) had an astounding library. Like Dominique, he was a voracious reader, and he allowed her to spend as much time in it as she liked, reading absolutely anything she wanted to.

Several months back, she had discovered his erotica collection. He had all sorts, everything from “Fear of Flying” by Erica Jong to “Justine” by her famous countryman, the Marquis de Sade himself. And it stirred something within her. She found herself out on the expansive balcony some nights, alone in this glamorous apartment, the children asleep, reading in nothing but her sheer nightie, allowing the wind (being on the 31st floor, on some nights it was quite strong) to caress her bare bottom and to cool her hot, wet, *petit minou*, her little pussy, as it keened for someone to finally come around and touch, kiss, fill it.

It was a late night, a Saturday, when it happened. Mrs. Doctor was in Boston on some kind of a business trip. Mr. Doctor was on rounds at the hospital. Dominique, with the girls fast asleep, retired to the library, setting herself down on Mr. Doctor's favorite wing chair. She wore her favorite silk robe—a rich deep pink, with hummingbirds on it, like a watercolor painting. Her slender fingers cracked open “Vox,” by Nicholson Baker, picking up where the dirty conversation left off.

Before long, her teeth bit her lower lip and her small hand slid down between her legs, parting—one thigh over each arm. Her fingers combed through the soft, natural triangle of her small bush and spread her pussy lips wide, enjoying the cool rush of air on the heat and wetness of her young cunt and the way it made her clit tighten even more, then grow.

She began touching it, slowly at first, then before long the book found her belly and the second hand moved to her pussy, one gently pulling and rubbing her clit, the other imitating the cock she pined for, two fingers sliding deep inside her, then out, then plunging back in again. She was close, concentrating and letting out little moans suggesting she was nearly to the peak, when she opened her eyes.

Mister Doctor was in the doorway, silent, watching. She had no idea how long he'd been there. And though she panicked for a split second, something in his eyes told her not to be afraid. Her hands moved back down between her legs. Their eyes locked and after a few seconds' pause, she kept going, egged on somehow by his eyes. He moved closer, eyes still on hers, and began to unbutton his trousers, hand reaching in and pulling out a monster, monster prick—thick, long and massive in every respect.

Dominique's eyes grew wide with desire as he pressed the tight head of his prick against her throbbing clit.

“*Mon dieu, il était énorme,*” she thought as he rubbed her button with his cockhead, picking up where her nimble fingers had left off, burning hot with the pint of blood that had to be filling it. He moved it in circles, mimicking her earlier motion, driving her to the edge and then buried his dick deep in her impossibly tight twat. Her tightness and his size were at odds, but her wetness helped. In the end, it fit like a tight surgical glove, and she moaned, mostly pleasurable.

**TIFFANI**  
Blonde Fawn

### Tiffani's got a little crush on the pool man...

When we last saw her in Feb. '12, Tiffani was showing off her pussy by the pool. She told us then that she loved lying naked outside, but now we know she had an ulterior motive. "I was trying to get the pool guy to notice me. He's pretty hot and I've been lonely since I broke up with my boyfriend."

## We would notice you in a heartbeat!

"Thanks! After a few times of him coming over and finding me at least half-naked, I think he started to get the message. He asked me once if I was shy about him seeing my boobs but I told him I didn't mind since I wanted him to look."

"Oh, he definitely did. He always wore these khaki work pants and I could see the bulge growing in his pants whenever he came near me. I know that's a sure-fire way to know he's enjoying the view. The next time he came by, I asked him to wait a little because I really wanted to go for a swim. He said okay and he sat down while I undid my top, took off my bikini bottoms and jumped in the water. I could feel the wetness of my pussy and the wetness of the pool mixing between my legs. When I came back up for air, he already had his cock out. My folks were at work so I let him come into my room. He made me cum three times!"

ure, a tiny bit of pain, as her pussy stretched to accommodate his girth.

They moved hard together, but smoothly, like a well-oiled machine. They fucked. And fucked hard. She moaned and cried out in French. They sweated and grunted as his prick—a fucking instrument—worked her pussy like a piston in the engine of a fine European sports car. He said nothing, only moving her, touching her, occasionally grunting and listening to her coo in that foreign tongue, which made him hotter even though he didn't understand a word of it.

At last, she rested, bent over the fine soft fabric of the sofa his wife had chosen for the room, her small, naked rump in the air. No need for translation. Her body language was clear.

"Take me," it said, "fuck me again. To the moon, if you can. I bet you can with that giant cock of yours. Fuck me to the moon with your giant cock."

Actually, that's what she was saying. It thrilled her to say such nasty-girl things as his prick cleaved her sopping snatch in two yet again. She knew he didn't understand. It freed her to be a whore. To say things she—practically a virgin save two times with her first boyfriend—would never have felt comfortable saying to someone who could understand.

And fuck her to the moon he did. That meat, like a hard salami in a charcuterie window, slamming into her to the hilt, he did just as she begged, his sac slapping against her sopping wet lips, against her creamy, little ass. She reached down and fingered her little button—vaguely aware that her juices may be staining the sofa. It didn't matter. It was Mr. Doctor's problem, not hers. She felt him tightening, felt that anaconda stiffening as he slowed down. It was

excruciating and delicious at once.

Then, she came—her pussy convulsing, juicing, just as he pulled out and showered the dip of her lower back with his hot, sticky cream.

They stayed there for a moment. He looked at her sweetly, brushing a lock of dark hair from her sweaty face, then pulling up his trousers, trying to collect himself. His swagger had faded. He'd become Mr. Doctor again. And she was reverting, too, from a top-shelf Parisian call girl back into the shy au pair from the farm.

He kissed her softly. He thanked her. He asked if she wanted tea.

"Oui. Thank you, Mr. Doctor," she said. They smiled. It sounded a bit naughty now that they had done what the had done. He left to get her tea. She hoped this wouldn't be their last encounter. Dominique's life in the big city was finally getting interesting.

## Mrs. Robinson

It was during her time as an intern that Ashley realized May-December arrangements, like the ones she usually had with older men, can work well for her girl-girl hookups, too.

When she took the gig at the marketing firm downtown in what some call Silicon Alley, she knew the hours were going to be heinous. It was for school and her career, but it was going to wreck every shred of free time. Her social life and her sex life had ground to a stand-still almost immediately. And then there was her boss, Laurie, who the male interns she hung out with referred to as Mrs. Robinson.

"She's a total MILF," Robbie had said earlier that day when they were out getting coffee and muffins for the meeting. Ashley stayed silent.

*Yeah, and I bet she'd be amazing in bed,*  
she thought  
to herself,  
a gree-

ing. Laurie was unbelievably hot. Tall, with well-tanned skin, long legs and beautiful, blonde hair she wore pulled back into a high ponytail. She was a runner, too. Her body was taut and lean and muscular—her ass was amazing. They'd look unbelievable tangled in the sheets, Laurie's caramel curves against Ashley's honey blonde form. All that said, she was pretty closed off. Business-like. Someone to learn from, just not sexually.

Then came the afternoon of the corporate 5K. Ashley had been the only one available to sign up. It wasn't a big company. She and Laurie ran it together. She laughed later in hindsight. It was a bonding experience.

Once the race was over, Laurie took her to Little Italy to a very old place on Mulberry Street with Chianti bottles as candleholders and checked, plastic tablecloths. They had a few glasses of red. They ate mussels. They walked and walked until they were at the stoop of Laurie's apartment—and then Laurie invited her up.

They fell into bed, literally, kissing, hot tongues dancing as they tore one another's clothes off. Laurie, her beautiful body a sculpture against the silky, powder blue sheets, eased Ashley back, burying her face in her muff, slurping noisily. She sucked gently on Ashley's nub, lapping up

Preppy's Pussy

### Hey Maci, you're cute as hell. Do guys ask you out a lot?

"Not really. In high school, guys always seemed to think I looked too uptight. And I guess at the time I kind of was. I hadn't had sex yet and was a bit of a prude. But once I started college, I knew I needed to see what sex was like since that's all anyone could talk about. I dated this boy for a while who was in my history class and one night I just decided to go for it. It hurt a bit but after a while, we got into a good rhythm. I've only had sex with one other guy after that. I'm a little shy and quiet sometimes but I'm trying to be more outgoing now. I really want to get fucked again."

**Uptight? The  
only tight thing  
about you is  
your pussy!**

"Thanks! Yeah, I guess it's cause I always dressed like a preppy girl. Some people thought I was a snob. They don't realize what a horny girl I am. I masturbate at least 10 times a week!"

**HEIGHT:** 5'2"    **WEIGHT:** 97 lbs.  
**BRA SIZE:** 36B    **BORN:** Aug. 6  
**LIVES:** Hubbell, Michigan

## What kinds of guys do you go for?

"I don't think I have a type, really. My last two boyfriends were both a little older than me, but I haven't really dated enough to know if I like older guys more than younger guys. I'd be open to dating an older man if one asked me out. I kinda have a crush on my dentist and he's in his early forties and he's pretty hot. He's got green eyes and a British accent that makes me get wet while he checks my teeth. I don't know if he'd go for me or if he'd think I was too young. I guess I'll just have to wait and see what happens."

SINDY & JODI  
Bi-Curious Brats

**Jodi is the type that will bring another girl home to her man.**

Jodi and Rocky had been casually dating for a few weeks. One night, they decided to watch some porn during sex to get a little extra hot and Jodi asked him if he'd mind if she brought home a girl to play with. Of course he said yes and the next night, Jodi brought home her friend, Sindy. Jodi had fooled around with her in the past and they'd talked about wanting to have a threesome someday. Now they were both going to enjoy each other while riding on Rocky's fat cock!

Jodi

### **How did it all start, Jodi?**

"I had already told him she would be coming over, so he was already naked on the bed with cock in hand when we walked in.

We put on a little show for him first to make sure his cock was extra stiff."

### **He's a lucky guy! Sindy, what was it like to be the "guest of honor"?**

"It was great! Some girls are way too jealous to be able to handle all the dirty things we just did, but not me and definitely not Jodi. Instead of freaking out while I sucked her guy's dick, she got horny and started licking my clit. It was great because we were all just doing everything we could to turn each other on as much as possible. Jodi licked his balls while he pumped my pussy. I returned the favor, eating her ass out while she rode him. I held my orgasm until he came on our faces. I was shaking so hard after!"

page 71, she doesn't even look like she's struggling with that huge cock as she lets it slip down her gullet. And what a great shot of her trim body!

The pic on the previous page where she's getting her asshole licked is also hot. I would stick my tongue deep in to that teeny ass of hers and leave it in there for as long as she let me. ## He Wants To Wait On A Teen Hand And Foot

Dear Virgin Territory,

I don't think I've ever seen a smoother pussy and asshole on anyone like the fuckholes Catie has. My god, you'd think she just never grew any hair ever. I liked your pictorial of her, especially the picture on page 31 of her cunt and finger in her butthole and also the pic of her on page 34 with her pussy lips spread open with her fingers. I can really appreciate her pink in this photo. I like seeing the

# CAMERON

Redhead Coquette

## Teen cutie Cameron's on house-sitting duty...

Cameron's neighbor Jeff is out of town for a conference and he needed someone reliable to come water his plants and pick up the mail. He'd already met the sweet little flattie next door. She'd mentioned before that she regularly house sat for another one of their neighbors, so he figured she might not mind. Plus it would be an excuse to get to chat with her a bit more and even have her come over. He'd already whacked off to her a few times, thinking about her in those tight shorts and practically see-through tops she was always running around in. He'd give anything just to get a better look.

## BBAT CHAT

**HEIGHT:** 5'5"    **WEIGHT:** 130 lbs.  
**BRA SIZE:** 32B    **BORN:** Dec. 19  
**LIVES:** Sacramento, California

## **Were you happy he wanted you to house-sit?**

"Totally! First off, I needed the money for some concert tickets so this came at a great time. And also, Jeff's pretty hot. He's kinda older but I like the salt-and-pepper look on guys. I've seen him check out my butt before, too."

**Do you think anything will happen once he gets back?**

"I hope so! I've been diddling my pussy every day that I've come over. One time I did it in his bed after I found some of his porn collection. Another day I did it in his shower and came all over his fancy showerhead. I even did it in his backyard! I just get so horny thinking about him. I can't wait til we finally have sex!"

"Thanks! I guess I must have a nice pussy because all the boys I've ever been with have spent a long time eating me out. It's the only way I cum. Some guys might not be into it, but if a guy wants to fuck me, he's got to lap up my slit first!"

## BRAT CHAT

**HEIGHT:** 5'4"    **WEIGHT:** 100 lbs.  
**BRA SIZE:** 32A    **BORN:** Feb. 10  
**LIVES:** Tulsa, Oklahoma

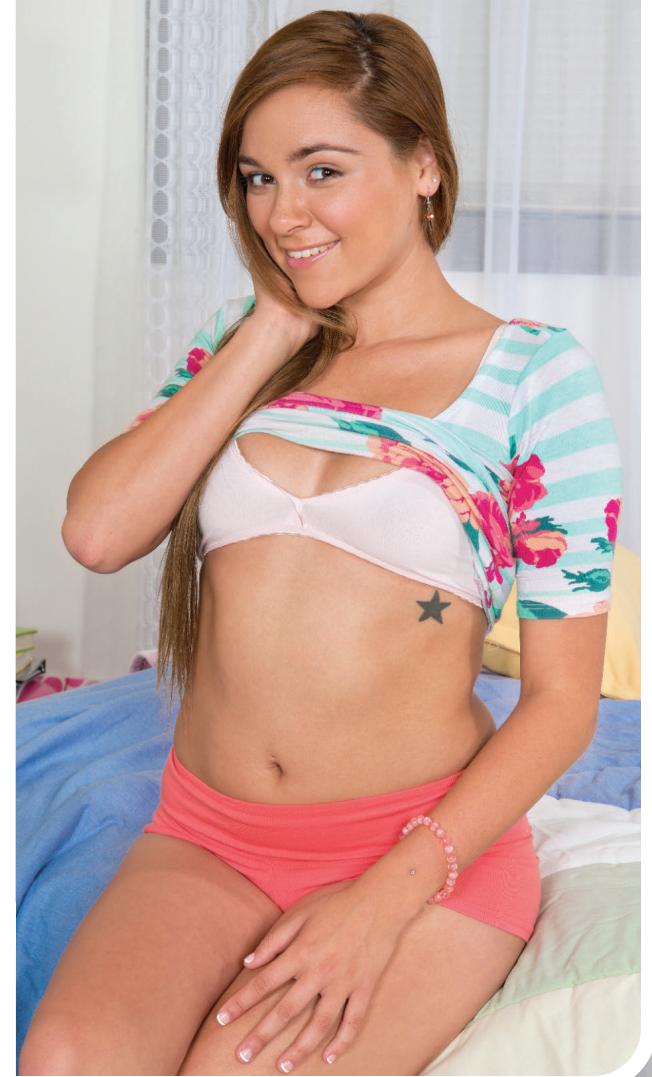

### We can't imagine anyone denying you a deep tongue-lashing!

"You never know! So far, though, it's been great. I like when guys pay attention to how I respond to their touch. I was with one guy who went hours just rubbing and licking my kitty and he used some fingers, too. After a while, we began to use toys and it got pretty wild. At one point I had anal beads in my ass, a vibrator on my clit and his tongue in my tunnel. He didn't stop till I came in his mouth. By the end, I was trembling."

### **How are you liking your new dorm, Zoey?**

"It's rad! I just moved in a few days ago. My roommates are two super fun and really sexy girls. We all hit it off right away. One of them loves to go surfing like I do. The other's going to play on the softball team with me! I'm so excited!"

## BRAT CHAT

**HEIGHT:** 5'3"    **WEIGHT:** 110 lbs.  
**BRA SIZE:** 34B    **BORN:** May 1  
**LIVES:** Antelope Valley, California

## **They're pretty sexy, eh? Does that mean you're into girls, too?**

"Yes! I've been with a few girls and they turn me on just as much as guys do. I don't care what you're packing as long as you can make me cum! I like being able to try different things with guys and girls. I guess you can say I'm experimenting."

A full-body photograph of a young woman with long brown hair, sitting on a blue chair with white daisy patterns. She is nude, with her arms crossed over her chest and her legs pulled up towards her. Her gaze is directed towards the camera. A small black star tattoo is visible on her upper left abdomen. A pink beaded bracelet is on her right wrist. The background shows a blue wall and some greenery.

## Have you been having a lot of sex since you got to college?

"Lately, not as much. I guess I've gotten picky. I've been so busy I usually just masturbate between classes or in the shower. I hope that changes soon 'cause I'm so horny these days. I need to fuck!"

## VIRGIN TERRITORY

inner parts of the pussy when I can. Every girl is different, and I want to cum to the cunny folds of all your slutty teens if possible. Never enough pink! I also liked Catie's somewhat innie nipples. She's just so damn cute.

You know, I have a lot of copies of *18eighteen* at my place and the great thing about them is you can just open to any page and you'll basically find a cute, young-looking girl smiling back at you, showing off her tits and puss. I grabbed this issue and opened to a random page and found myself staring at Nica's adorable face and perfectly round breasts (page 53). What a delight! I love the little close-up of her light-colored nipples on the first page of her pictorial. Love those nips!

I like to imagine what it would be like to have Nica in my house, just watching her laze about like teen girls do. She'd be chatting away on her phone or blowing bubbles like in the pictorial, maybe doing her nails while sitting in her underwear. One of my

biggest pleasures is just watching these unattainable, teen girls going about their daily business. And when you guys do that but then ask them to disrobe, it drives my cock wild.

Abby was another delight to find in your July issue. I'd like to part those meaty pussy lips of hers with my tongue until she came all over my mouth. Then I'd eat her ass until she pleaded with me to stop from overstimulation. I can only imagine that if I die and go to heaven someday, there will be an angel that looks just like sweet, blonde Abby, ready to service me fully with her mouth and tongue.

Another angel in your mag this time was Jenna. I'd seen her before and she never displeases. If I ever had a chance to speak with her, I would let her know that an older gentleman in the New Haven area has a heated pool he would love for her to lounge in all day and night. I wouldn't even expect her to give me so much as a kiss on the cheek in gratitude. All I would want to do is serve her in any way I could and keep her near me wearing those little dresses with no panties on so I could always smell her

cunny fragrance wafting about in the air. I can't wait to see what new beautiful, fuckable darlings you have next!—D.O., New Haven, Connecticut

Dear D.O.,

*You're preaching to the choir, here. We ALL want a horny little teen hanging out in our homes too, but in the meantime, there's always 18eighteen! Don't forget to check out super-smooth Catie's other pictorial in our Sept. '12 issue, ready for backorder on page 11 or on our website.*

*As for Nica, we've got a feeling she'll be in a future issue before you know it.*

## Nostalgic Beaver Lover

Dear Virgin Territory,

Thank you for making me fall in love with bush all over again. It's not that I don't also love freshly waxed pussies, but as they say, variety is the spice of life, and I like jerk off to different types of pussies all the time.

I have to start with praising the soft, fluffy muff between the legs of that little goddess, Sam, on page 40. Next on my list is Fawna, although I only have one image of her here. I knew she looked familiar and then remembered

I saw her on [NaughtyMag.com](http://NaughtyMag.com), of which I am also a member. But the pièce de résistance for me is Koko's darker beaver, and does she ever look delicious in those knee socks lying on her back! She reminds me of the last young one that let me part her legs.

I was working at one of those family restaurants they've got just about everywhere (let's just say they're one of the ones named after a day of the week). Anyway, her name was Grace and she was just stunning in all her youthful, Asian beauty. I was working as a bartender and she'd just been hired on as the new hostess. She was very bright and trying to save some

some hot chocolate since I'd gotten wet and it was chilly out. You can imagine how this led to, "I didn't have dinner and I was going to order pizza. Mind waiting till he gets here?" and then, "You should stay for a late dinner!" and soon we were on the couch, her smooth legs resting comfortably in my lap and my hand slowly working its way up her thighs as she sighed and pretended to watch the movie of the week. I was a bit surprised to feel the tuft of hair at her cunny as I'd grown accustomed to most girls these days waxing or shaving everything off, but it was absolutely wonderful to feel her

money for a big backpacking trip she'd been planning since the first day of senior year. Her graduation was two months away and she'd just turned 18 the previous week. My luck had never been so good.

One night, it was pouring out and as she'd biked to work, she asked me for a ride home. She didn't live too far and she wondered if I'd mind as she had no one else to call with her parents out of town for the weekend. I said of course, because I have a pulse, and then ran in to the rain to bring the car up to the back of the restaurant so she wouldn't get wet (from the rain, anyway). She called me a gentleman. I was thankful my competition were the pimple-faced geeks at her school who still had to ask dad for the car.

I had an umbrella in the car and offered to walk her to her door, and once I had, she asked me if I wanted

peach fuzz and my dick got harder than it had in a decade! It took me back to memories of my first few girlfriends, when girls still had bushes.

Grace was a passionate girl and she gave me her pussy almost every day for those two months. And the way she gave head was award winning, to be sure. When graduation came, she picked up her things and left for Europe to do her backpacking stint. I'm happy to see there are other beautiful bushes like Grace's and Koko's out in the world. Thanks for taking me back. Good times.—Y.P., via e-mail

## AS THE WORLD INTERNs

Continued from page 42

her dew, kissing and putting her whole flower in her mouth. The wetter she got, the closer Laurie's fingers inched closer to Ashley's pucker.

"Mmmm," came Laurie's voice from between her legs, "flip over baby..." Ashley opened her eyes. She heard the buzz of a toy and turned to see a clear-purple silicon dong—lovely and thick—in Laurie's hand.

"I'm going to fuck you real nice," she said, her voice low and seductive.

Ever the obedient intern, she rolled over, placing a nice, fluffy pillow beneath her stomach, raising her

pussy and ass straight up in the air.

"Yes, Ms. Roberts," she chirped.

"Now let me see that pretty little pussy," her lady boss purred. She spread her thighs wide as the dildo slid up inside her, the ears on the bunny-shaped buzzer at its base sending shivers through her clit. Just as Ashley was getting used to the toy, she felt Laurie's tongue slip through, wedging itself between her cheeks.

Shocking at first, Laurie's warm hand—the one that wasn't maneuvering the purple cock—rested gently on Ashley's ass. She lay there, feeling that tongue on her zinger, poking and lapping. It was incredible, elevating

the sensation of the vibrating cock.

And then Laurie's finger was there, too, knocking at her back door. Reflexes made her starfish tighten up, but then she relaxed and let it come, the tightness of her rim loosening just enough to allow it in. *Good god, people really fuck like this?* she thought, giggling, wondering if she could ever take that dildo in the rump.

Laurie gently turned the dildo around, letting the bunny ears come to rest on her tight hole and the sensitive skin between the two openings. Laurie was rapt.

"Honey, your pussy is the wettest I have ever seen. It's making mine drip! I'm gonna make you come now...."

Her tongue went wild, moving

from the tight rim around her gently rotating finger then sliding up and down her entire slit, flicking Ashley's clit, then heading right back down to her puckered, little browneye. The boss lady was hungry and Ashley was hotter and hornier than ever.

As Laurie went to pull her finger out of Ashley's ass, the wave hit her, coming and coming and screaming (and embarrassed almost, but unable to help herself). The orgasm was the most powerful she'd ever had. It took her minutes to move, open her eyes or even speak when it was finally over.

When she did, she thanked her supervisor for the generous bonus. **18**

### Lara's finally getting stuffed!

In Feb. '13, Lara stripped and told us how much she loves clit play. Then in June '13, she spread even wider and talked about getting her pussy eaten. Now it's time for this sweet girl to ride a big cock!

**HEIGHT:** 5'5" **WEIGHT:** 120 lbs.  
**BRA SIZE:** 34B **BORN:** March 21  
**LIVES:** Phoenix, Arizona

### How did you like getting fucked on-camera, Lara?

"It was fun! I mean, I was a little shy at first. I don't usually have sex with guys I just met, and I haven't really had much sex to begin with. Just a few of the boys in my class, and none of them are anywhere near as big as this guy was! But this guy ate me out for a while and really knew just how to work my body."

## **Do you like when guys give you creampies?**

"I haven't really had many, but there's something sexy about having a guy shoot his load in my pussy—the way they groan and tense up. I like making guys cum; it's the ultimate compliment to have them do it inside me."
